

Central Board Minutes
February 14, 1962

Absent: Carroll

The meeting was called to order by President Denis Adams in the Silver Bow Room. Corrections to the minutes: page 4, under Future Recommendations, 2) "Adams said that money could probably not go to the physcial plant, but could go to books" should read "Adams said that money should probably not go to the physical plant . .".

Vice-President's Report

1) CARLSON MOVED TO APPOINT JOAN SMITH AND JIM ANDERSON AS FRESHMEN CAMP COMMITTEE CO-CHAIRMEN. SECONDED BY D. YOUNG. Carlson gave the qualifications of the two applicants. MOTION PASSED UNANIMOUSLY.

2) Carlson reported the Student Union was drawing up their budget. The S.U. committee was discussing exhibits and a policy for use of the Cascade and Yellowstone Rooms. Rules for decorating these rooms might be made.

Budget and Finance

1) R. YOUNG MOVED TO PLACE GIB CLARK ON THE BUDGET AND FINANCE COMMITTEE. SECONDED BY WHITELAW. Browman said he was opposed to reinstating Gib Clark on the committee, because he attended only when interested in pushing his own program. Young stated that Clark might have political aspirations. Wallace urged the Board to not reinstate Clark since he had other things in mind rather than the student budget. Young said he could "use" Clark to balance the committee as there were two factions on it. Wallace described them as "those that save and those that don't". MOTION WAS DEFEATED (5-11) WITH BERTELSON, WHITELAW, PATERSON, D. YOUNG, AND R. YOUNG IN FAVOR.

2) Nichols reported that the dates for the All School Show had been changed by the music faculty, but not confirmed by the Dean's office. A meeting of all the involved parties resulted in the All School Show and three fraternity spring week-ends on the 17, 18, and 19 of May. This was the only week-end possible for the All School Show because of conflicts with the Music Festival and Interscholastic. Bertelson and Carlson lamented the fact that ASMSU would again need to give financial backing. Nichols said the contract would be ready soon.

Leadership Camp

1) Bill Palmer, chairman, reported the committee had been discussing the overall purpose and objectives of the camp. The first day the leaders attending would be acquainted with school groups' activities. The next day lecturers on the academic divisions of the school would be held. The camp is scheduled for April 27, 28, and 29.

2) Palmer recommended adding Mary Ellen Myrene to the committee. CARLSON MOVED TO ACCEPT THE RECOMMENDATION. SECONDED BY BROWMAN. MOTION PASSED UNANIMOUSLY.

Activities Board

Myhre, chairman, reported that a total receipt of \$1412 had been received for ticket sales to the Limelitters on February 25. This exceeds all previous advance sales records. Myhre explained advertisement plans and added that the agent had been informed of Missoula's recent fog.

Planning Committee

1) Browman reported that the report from sub-committee D needed the approval of Schwank in order to present a by-law to Central Board concerning an Auxiliary Sports Board. A Constitution amendment for representatives to Central Board was being considered.

2) BROWMAN MOVED TO ADD DIVISION III, ARTICLE I, SECTION 3: THE EDITOR SHALL BE CHOSEN WITH THE UNDERSTANDING THAT HE WILL NOT SUPPORT ANY CANDIDATE FOR ANY STUDENT ELECTION AT ANY TIME. SECONDED BY BERTELSON. Browman introduced the discussion by stating that Central Board owed it to the student to protect him. Walsh pointed out that Browman had still voted for Bowler at Publications Committee even though Bowler had said that as editor he would support candidates. Browman said that he had voted for the one applicant. Walsh stated that if the CB delegates voted for the by-law, it would be a change of politics and not of principle, since it had been defeated earlier. He accused the delegates of "playing government" if this occurred. Carlson said Walsh was assuming no one could change his mind honestly. If delegates would vote differently, it would be because they saw "the true light". Carlson suggested the by-law had been defeated before in consideration of Walsh's strong feelings, but now was the logical time to vote for it. The editor would know what the limitations are from the Kaimin's publisher. Bertelson said some of the objection last time was the wording of the by-law. Nichols asked what the Board would do next. He suggested that newspapers are the strongest check on government. Carlson stated this was one of the rankest newspapers he had seen and in the interest of the student body, the Board could pass the by-law. "Every time anyone does anything, the argument is that he is attacking the press." Nichols suggested that the Kaimin would not be allowed to support anything. Jones suggested there was a difference between supporting a group and an individual. Haynam stated this would not be a restriction to the editorial, as all year long the Kaimin could rant and rave as it wished. Bowler said the Kaimin felt ASMSU were subscribers and not publishers. He suggested the Kaimin editorial was offering an opinion as it would on anything. He hoped that the staff would not be picked from off the streets, but would be an informed group. Osterheld said that sometimes he was unhappy about the way Walsh would present a case, but that he supported Walsh in this issue. He said the editor should be able to take a stand. Cole said that since the by-law said "editor", the associate

editor might still support a candidate. Tatsuyama suggested the term "publisher" be clarified. Carlson said the Kaimin masthead read "published by ASMSU". Browman said that if it wasn't for ASMSU there would be no paper as half of the support came from ASMSU. He added that he thought a paper could be put out without Journalism majors. Tatsuyama suggested that since ASMSU was not a "full publisher" it should not have full right to state policies. Jones said that students were not subscribers as none of them could withdraw their support. Whitelaw suggested that if the motivation behind the by-law was because the opponent did not have enough room for a rebuttal, it was not an adequate reason. Browman said it was a matter of honor as he had said he would bring the by-law up again. He suggested the obligation to the students should over-ride the point Tatsuyama had made. Carlson gave a run down on the number of times the by-law had been presented the last three years and the outcomes of it. He also showed the effects the editorial had. Bertelson suggested having a policy for rebuttals. Walsh said Journalism ethics dictated this policy. Carlson replied that he was suspicious of Journalism ethics, as past Editor Olson had printed his support the day before primaries and Walsh had not allowed Adams a choice of person to write a rebuttal. Walsh said the ethical question was the space allowed and not the writer. Adams relinquished the chair to Carlson to explain that although Walsh had told Adams that anyone could write Adams' rebuttal, Walsh would not accept Ulrich's letter of rebuttal for Adams as it originally was. R. Young moved to call the motion for the question. Seconded by Minter. Motion passed (12-4) with Browman, Jones, Whitelaw, and Tatsuyama opposed. MOTION DEFEATED FOR LACK OF 2/3 MAJORITY (10-6) WITH BROWMAN, CARLSON, CHAFFEY, HAARR, HAYNAM, JONES, LEUTHOLD, MINTEER, D. YOUNG, R. YOUNG IN FAVOR AND BERTELSON, COLE, PATERSON, WHITELAW, OSTERHELD, TATSUYAMA OPPOSED.

3) D. YOUNG MOVED TO ADD DIVISION III, ARTICLE I, SECTION 4, 6, AND 7: AND SHALL HAVE A 2.0 GRADE AVERAGE. (KAIMIN); DIVISION III ARTICLE II, SECTION 3 AND 4: AND SHALL HAVE A 2.5 GRADE AVERAGE. (SENTINEL); DIVISION III, ARTICLE II, SECTION 5, 6: AND SHALL HAVE A 2.0 GRADE AVERAGE. SECONDED BY BROWMAN. Carlson said these grade requirements would interfere with the present selection process which was now underway. Young suggested making it active as of next year. Haarr asked if could be tabled until after selection. JONES MOVED TO TABLE THE MOTION. SECONDED BY MINTEER. MOTION PASSED UNANIMOUSLY.

Publications Committee

1) Grimm recommended Printer Bowler as 1962-63 Kaimin Editor. Grimm gave Bowler's qualifications and some of his beliefs on newspaper policies. CARLSON MOVED TO ACCEPT THIS RECOMMENDATION. SECONDED BY MINTEER. MOTION PASSED UNANIMOUSLY.

2) Grimm recommended John Frook as 1962-63 Kaimin Managing Editor. He stated that Sam Donaldson was the only other applicant and gave the qualifications of both applicants. John Frook lacked about two weeks for the MSU attendance requirement. Opinions were heard of these two applicants from Young and Bowler. HAARR MOVED THAT THE BY-LAW ATTENDANCE REQUIREMENT FOR KAIMIN MANAGING EDITOR BE WAIVED. SECONDED BY BROWMAN. MOTION PASSED (14-1) WITH JONES OPPOSED AND CARLSON ABSTAINING. HAARR MOVED TO ACCEPT THE RECOMMENDATION OF JOHN FROOK FOR KAIMIN MANAGING EDITOR. SECONDED BY BROWMAN. MOTION PASSED (14-1) WITH JONES OPPOSED AND CARLSON ABSTAINING.

3) Grimm recommended Eric Myhre as 1962-63 Kaimin Business Manager. Grimm gave the qualifications of Myhre and of Barb Mittal, the second applicant. CHAFFEY MOVED TO APPOINT BARB MITTAL AS KAIMIN BUSINESS MANAGER. SECONDED BY BROWMAN. Jones stated that although Myhre's grade point average was under a 2.0, compared to Mittal's 2.3, Myhre's grade point was 2.6 last quarter and has shown his ability to handle a committee and school work. At Young's request Walsh outlined the duties of the business manager. Walsh explained the quality of personality needed to get ad salesmen to work. Carlson stated that the present business manager seemed to think Barb Mittal would be better qualified, but did not wish to be present at Central Board to present her views. Browman pointed out that Myhre did not work well with the Field House, and that Mittal would be more responsible in getting the daily work done. Grimm stated that he had worked with both individuals and both got the work done only in different ways. Browman suggested it would be a favor to Myhre to not appoint him, so he could raise his grades in order to graduate. Young said that since neither were completely qualified to reopen applications for the position. Walsh reminded the Board that there was only 3½ weeks for the person to learn the job. Bowler stated that it was not necessary to be a "mother protectorate" for Myhre and that he would like to see him appointed. MOTION FAILED (4-11) WITH BROWMAN, CHAFFEY, HAARR, AND D. YOUNG IN FAVOR AND CARLSON ABSTAINING. WHITELOW MOVED TO APPOINT MYHRE KAIMIN BUSINESS MANAGER. SECONDED BY R. YOUNG. MOTION PASSED (3-12) WITH BROWMAN, CHAFFEY, AND HAARR OPPOSED AND CARLSON ABSTAINING.

4) Grimm announced that applications are now available for Kaimin associate editors and photography editor.

5) Carlson expressed a concern over lack of applications for Kaimin positions. If this continued, he suggested going out of the "closed shop" of Journalism majors. Walsh explained that in previous years, more had been received.

WHITELOW MOVED THE MEETING ADJOURN. SECONDED BY D. YOUNG. MOTION PASSED UNANIMOUSLY.
